

Burchard Lake

Burchard Lake is located 8 miles west and 4 miles north of Pawnee City. It is a 150 acre lake. In the park around the lake, blinds have been constructed so you can watch Prairie Chickens which are booming in February, March, and April.

Table Rock WMA

Located 1 mile east and 0.25 mile north of Table Rock on the north side of U.S. Highway 4.

Bowwood WMA

Located 2 miles south of Steinauer.

Mayberry WMA

Located 5 miles north ½ east of Burchard (176 acres).
